

Con quasi 30 anni di esperienza sul mercato dei rivestimenti superficiali sottovuoto, Protim è il principale Coating Center PVD Italiano e tra i più importanti in Europa.

Dal 2023, Protim fa parte di **Plato Holding**, un gruppo nato dall'unione di **tre realtà con oltre 30 anni d'esperienza nel settore: Protim, Protec Surface Technologies e Arzuffi PVD.**

Questa sinergia ci consente di affrontare nuove sfide con una visione condivisa, rafforzando il nostro impegno per l'innovazione e l'eccellenza, al servizio dei clienti e delle generazioni future.

With almost 30 years of experience in the vacuum surface coating market, Protim is the leading Italian PVD Coating Center and among the most important in Europe.

Since 2023, Protim has been part of **Plato Holding**, a group formed from the merger of **three companies with over 30 years of experience in the field: Protim Protec Surface Technologies and Arzuffi PVD.**

This synergy enables us to face new challenges with a shared vision, strengthening our commitment to innovation and excellence to meet the expectations of both current and future generations.
